

Corona Virus Update

As of 4/1/2020: Due to the threat of the Corona Virus, the Northeast Schools and Hospital Credit Union will be taking actions to keep you safe.

We want to assure you that your credit union will be doing everything within our power to meet your financial needs and make this time as stress free as possible.

Our office is closed to the public, but we now have a walk-up window. We ask that if you can call ahead, we can have your transactions completed by the time you come to our window. All other transactions may be done by mail. Deposits can be dropped off in our mail slot with your name and specific instructions.

We are working with limited staff during this time, so should you call and we don't answer immediately, please leave a message and we will return your call as soon as possible.

If you have any questions, feel free to give us a call at (802) 334-1844 or send us an email at nshcu@comcast.net

Our new webpage is up and running. Please visit www.nshcu.virtualcu.net. We encourage everyone at this time to sign up for E-Statements as well as online banking to meet your financial needs.

Annual meeting 2020

Our annual meeting is postponed until future notice. Currently, we are looking into doing a virtual meeting per our by laws:

ARTICLE V MEETINGS OF MEMBERS

Section 1 The annual meeting of the members shall be held during the first six months of the calendar year at such time and place that is conveniently accessible to the members and as the board of directors shall designate.

We at NSHCU wish all of you to be safe and healthy during this time.

Your savings are federally insured to at least \$250,000 and backed by the full faith and credit of the United States Government (NCUA) National Credit Union Administration, a U.S. Government Agency
