FRAUD PREVENTION

Fraud and scams can increase as the holiday shopping season approaches.

- Never give out your online banking password, PIN or verification code.
- Be cautious of unexpected texts, or phone calls asking for personal information.
- Contact us immediately if something seems suspicious.

If something doesn't look right, contact the credit union directly. We would much rather have you call and ask than risk becoming the victim of a scam.

Loan Specials

Still saying, "We need to get that done before winter?"

Now's the time. Get it done with a **Home Improvement Loan**.

Borrow up to \$10,000.00 at 8.99% APR with a 4-year term.
